4. Low Maintenance Gardening Program – Co-President Susan Hildebrandt
  - See separate file*

# Low Maintenance Gardening

*Plant the Right Plant in the Right Place the First Time - Make a Plan*

## Assess the Current Situation:

1. Soil test?
2. Sun or Shade?
3. Water?
4. Lawn or ground cover?
5. Who is taking care of it?
6. Installed hardscape?

## Plant Selection: Slow Growing, Drought Tolerant, Deer Resistant, Native

	Full Sun	Sun to Part Shade	Shade	Deer Resistant	Drought Tolerant
