

Mission Statement

Put-in-Bay Garden Club is a non-profit organization dedicated to the preservation and enhancement of the beauty of South Bass Island.

The Garden Club raises funds to establish and maintain designated green areas of the island, educates members on horticultural topics, sponsors garden-related field trips and social activities, hosts Home and Garden Tours, and engages in other projects to enhance the island's beauty. The Garden Club promotes opportunities to work with volunteers, community members, the Village of Put-in-Bay, Put-in-Bay Township, and DeRivera Park Trust.
